

City of Tonawanda Fire Department CPR Training Program

Classes are taught by our Professional Firefighters through the National Safety Council training program.

We offer both CPR/AED training and CPR/AED/First Aid Training certifications for 2 years.

CPR/AED: \$65 for an original certification, \$55 for a recertification and typically takes 2-3 hours to complete.

CPR/AED/First Aid: \$95 for the 2 year certification and typically takes 4-5 hours to complete.

Location: Classes are typically held at Fire Headquarters, 44 William St. between Morgan and Fletcher. If you wish to have a class onsite arrangements can be made.

For more information or sign up for a class please contact Capt. Joshua Lapham by email at fireinspector@tonawandacityfd.com.
