To be eligible for EPIC seniors must be a NYS resident, 65 years or older, previous year's income cannot exceed \$75,000 single and \$100,000 married, be enrolled or eligible to enroll in a Medicare Part D drug plan and cannot be receiving Full Medicaid benefits.

EPIC provides secondary prescription coverage for Medicare Part D and EPIC covered drugs after any Medicare Part D deductible is met. By using EPIC together with Medicare Part D, members save more money on the cost of their prescription drugs.

or many seniors, it is less expensive to enroll in

EPIC and Medicare Part D than just Medicare Part D alone. EPIC pays the Part D drug plan premiums up to \$39.73 per month in 2016 for members with income up to \$23,000 single or \$29,000 married. Higher income members are responsible for paying their Medicare Part D premiums but will receive Part D assistance in the form of reduced EPIC deductibles.

Seniors may apply for EPIC at any time during the year even if they do not have a Medicare Part D plan. Enrolling in EPIC will provide eligible seniors a Special Enrollment Period from Medicare allowing them to join a Medicare Part D drug plan or switch to another Medicare Part D plan outside of their Open Enrollment Period. Join EPIC today for additional savings on your Medicare Part D prescription drugs.

For an application or more information, please call the toll-free EPIC Helpline at 1-800-332-3742 Monday-Friday from 8:30am to 5:00pm or visit the EPIC website at www.health.ny.gov. An EPIC representative will be available to help seniors enroll at the center. Please call the office.

Our members will write the numbers down for you so you can keep track. If you are a regular visitor at the Senior Citizens Center you will know that the fire department visits the Main Street facility to provide blood pressure screening on the first Thursday of each month at 11 AM.

Special Needs Registry

The Office of Emergency Management, which works under the direction of the Fire Chief and Police Chief, maintains a list known as the Special Needs Registry. In the event of a long-term power outage, extreme weather condition or other similar event, it could be difficult for some persons to manage on their own for extended periods. This could be someone who requires constant medical treatment (oxygen therapy), homecare aid assistance (and the aid cannot make it in due to weather conditions) or just regular elderly persons who because of various reasons, would have difficulty taking care of themselves for long periods. In order to ensure that these residents are taken care of, the department will use the Special Needs Registry list to check on those individuals during situations as described above.

Information listed on the Special Needs form remains confidential and is made available only to emergency personnel should a disaster-type situation occur. If you, a family member or anyone you know falls into the category of Special

Needs+ we encourage you to have those persons added to this list. You can do so by calling fire headquarters and leaving a message with the Emergency Management Office. They will return your call and explain all that is necessary in order to get onto the list.
