EPIC

Have you checked out what EPIC can do for you lately? The New York State Elderly Pharmaceutical Insurance Coverage Program EPIC provides secondary prescription coverage to eligible NYS seniors with Medicare Part D plans.

To be eligible for EPIC seniors must be a NYS resident, 65 years or older, previous year's income cannot exceed \$75,000 single and \$100,000 married, be enrolled or eligible to enroll in a Medicare Part D drug plan and cannot be receiving Full Medicaid benefits.

EPIC provides secondary prescription coverage for Medicare Part D and EPIC covered drugs after any Medicare Part D deductible is met. By using EPIC together with Medicare Part D, members save more money on the cost of their prescription drugs.

For many seniors, it is less expensive to enroll in EPIC and Medicare Part D than just Medicare Part D alone. EPIC pays the Part D drug plan premiums up to \$39.73 per month in 2016 for members with income up to \$23,000 single or \$29,000 married. Higher income members are responsible for paying their Medicare Part D

premiums but will receive Part D assistance in the form of reduced EPIC deductibles.

Seniors may apply for EPIC at any time during the year even if they do not have a Medicare Part D plan. Enrolling in EPIC will provide eligible seniors a Special Enrollment Period from Medicare allowing them to join a Medicare Part D drug plan or switch to another Medicare Part D plan outside of their Open Enrollment Period. Join EPIC today for additional savings on your Medicare Part D prescription drugs.

For an application or more information, please call the toll-free EPIC Helpline at 1-800-332-3742 Monday-Friday from 8:30am to 5:00pm or visit the EPIC website at www.health.ny.gov. An EPIC representative will be available to help seniors enroll at the center.
