

CITY COMPREHENSIVE PLAN UPDATE
Public Kickoff Meeting
April 26, 2016

The City of Tonawanda has begun the process of updating their *2002 Comprehensive Plan* and invites city residents, business-owners and other interested individuals to attend the Public Kickoff Meeting to learn about the process and plan.

The updating of the Comprehensive Plan is to be a community-driven process producing a document that will provide guidance on future policies, projects, and actions for various aspects of the City including, but not limited to, neighborhoods and housing, recreation, infrastructure, economic development, Main Street/Downtown, and zoning. The plan development process involves community outreach, data collection and analysis of the current state of the City, determination of a City-wide vision, goals and strategies to attain them, and regular meetings and discussions with the LWRP/Comprehensive Plan Steering Committee.

The Public Kickoff Meeting will be on **April 26th from 6:00 to 8:00pm in the Tonawanda High School Auditorium**. This is your chance to be a part of the process from the get go to shape the future of the City of Tonawanda; there will be many other opportunities for public outreach and to express your thoughts as the plan moves forward. Numerous resident, et al, meetings and other interactions will be scheduled throughout the estimated one year plus plan creation process.

Please check the City website for additional information as it becomes available.
