Christmas House Decorating Contest Winners Awards by Mayor Rick Davis and Amanda Lofft

We had nearly 20 residents participate in this years contest. It was a ton of fun to travel throughout the city to see everyone's Christmas displays. Our winners put on a great show and everyone is going to have to step up their game for next year. Our 2016 Winner for Best Use of Lights was Jeremiah Licht from 26 Erie St. Jeremiah did this display all by himself and I also heard that he won a contest through Darien Lake as well. Congratulations Jeremiah! Our 2016 Winner for Most Holiday Spirit was Terry Willard from 345 Fillmore Ave. Congratulations Terry! Our 2016 Winner of the highly coveted Mayor's Award goes to Heidi Jean from 422 Adam St. Congratulations Heidi! I know Jenna is a neighbor of yours and enjoyed the decorations very much! All of our winners received certificate and gift cards to Home Depot so they can purchase more lights for next year. Again, thank you for everyone participation and we are looking forward to next year!

Glory Be to Kids Check Presentation to the City by Amanda Lofft

I am also here on behalf of a local non-profit Glory Be to Kids. I am on the Board of Directors and also their current President. We are a local children's charity that has been around for more than 35 years. In 1981 a group of ladies who played softball together lost a great friend when she was tragically killed in a car accident, leaving behind a 5 year old son. That year they did a softball tournament in her honor to raise money for her son. That first year \$1,000 was raised for Christopher. The next summer all those that played in the tournament asked them to do it again, and that is basically how Glory Be to Kids was born. We consider ourselves a charities charity. We essentially raise funds for other charities by choosing a different one as our beneficiary each year. In our brief history we have donated more than \$500,000 to local children's charities. We do our fundraising through numerous events throughout the year and what started as just a softball tournament has now grown into include a bowling tournament, golf tournament, disc golf tournament, coed- softball tournament and 5K race and Chowder

cook-off contest. Our 2016 beneficiary was Suneel's Light. Suneel's Light is an organization that supports individuals with Duchenne Muscular Dystrophy. This disease characterized by progressive muscle degeneration affects only boys and most don't get to celebrate many birthdays into their 20's. I think there are about 20 kids locally that suffer from DMD. This year we were able to give \$30,000 to Suneel's Light. My Aunt, Felicia Roggow was one of the founding members of Glory Be to Kids and was really the driving force behind them for years. She passed away 10 years ago this year and it was at that time that we decided as an organization that we would take our first \$1,000 raised and donate it in her memory. So every year we give \$500 to the City of Tonawanda Recreation Department and \$500 to the North Tonawanda Recreation Department. We have always been a very local, T-NT charity and we do most of our events right here in the twin cities. So we wanted to say thank you. Thank you for your support in allowing us to use the softball diamonds all of these years. So on behalf of Glory Be to Kids here \$500 for your recreation program, and we are looking forward to this year's tournament. Thank you!
