

Holler Memorial Scholarship 2019

Gregory Hayes Holler passed away in November 2008. He was a student at Tonawanda High School and his family decided to do something in his memory. His family raised funds and built the Gregory Hayes Holler Memorial Skate Park at Ives Pond which is also known as Tonawanda Skate Park. They also gave a scholarship away yearly to a graduating Tonawanda High School Senior in order to help them to achieve their dreams of attending a college or trade school of their choice.

This scholarship and skatepark were spearheaded by Gregory's father, Donald H. Holler. Donald was a 1954 graduate of Tonawanda High School. Donald was captain of the tennis team, a graduate of St. Bonaventure University and an active member of the Tonawanda City Community. Besides building the skatepark he was involved in the Tonawanda American Little League and the Tonawanda High School Hall of Fame Committee and a Major in the United States Army. Donald passed away in January 2018 after a wonderful life that he spent giving back.

In memory of Gregory and Donald we will be offering two scholarships this year open to all seniors planning to attend college or trade school in the Summer or Fall of 2019. Regardless of class standing you will be considered for this scholarship. Please fill out completely the brief two page application and feel free to include any other essays, letters, recommendations or any other information that you feel will help you to get chosen for this award (though all extras are not necessary).
